

BOARD

Dear Quintilian Community

One aspect of Quintilian that I really like is our camps. For the benefit of our newer families and I extend a warm welcome to you, camps are scheduled from Year 1 through to the highly anticipated Canberra camp in Year 6. As the current year 6 class will no doubt tell you, that camp is scheduled for later this term and includes a couple of days skiing.

The camps are an amazing opportunity for children to develop their independence, work as a team, stretch a little outside of their comfort zone and cultivate their resilience. Parents who attend camp can attest to the transformation many kids go through at this time, not to mention the fun, excitement and bonding that takes place.

Meanwhile our Events Committee continues to deliver. By the time you read this, our children and hopefully many parents will have enjoyed the 100 Days breakfast event. Then not too far down the track we have the Trivia and Games Night on the 9th September, for which tables are selling fast. That promises to be a fun evening, so *book now to avoid disappointment!*

I would also like to make special mention of our hard working class representatives. They play a key role in our community school and deserve our thanks for all the effort they put in. Please make every effort to support your class rep when the opportunity arises.

PRINCIPAL

Dear Parents

At Quintilian I am committed to maintaining our very open, caring and friendly relationship that exists between all of our staff, students, parents and extended families. This is a very unique relationship that sets us apart from other schools. It is wonderful that parents, grandparents and our children have access to our school from very early in the morning until late afternoon.

I particularly enjoy seeing large numbers of our families choosing to stay for hours after the official school day has finished. Typically this time is spent with children happily playing on the grassed areas, on the spiders web, using the flying fox or climbing on the fort in the early learning area, whilst parents are happily enjoying each other's company. This is what a community school should be like and it helps to bring us all together.

Another great difference at Quintilian is that parents are also welcome at the school during official class time and this includes access to their children's classes and teachers when appropriate.

Unfortunately there have been a few recent occasions when parents have unreasonably expected teacher accessibility. This has included wanting extended discussions at 8:45am, just before class starts, or interrupting teachers during class time. Teachers are always happy to speak with parents in the morning or after school, however once the bell rings at 8:50am staff do need to focus on teaching their class.

Some parents are also expecting teachers to answer school related matters by text message, phone or email at night time and on the weekends. Please refrain from this approach unless it is an emergency.

Best wishes for a great Term Three.

Neil Collins

100 DAYS CELEBRATION

We made it—100 days of fun and friendship at Quintilian School with 325 served breakfasts.

Thank you to all the amazing parents and staff who helped to make a wonderful morning of breakfast, PJs, face painting and fun.

The Yr 2 class then completed the morning activities with an amazing assembly of all that had happened in the past 100 days.

Each class having chosen their favourite things to list and then share in a great PowerPoint—who knew we had been so busy!????!!

Camps, excursions, incursions, Jump Rope, SciTech, Hale Buddies, school buddies, surfing, tree planting, robotics and other clubs, Sculptures by the Sea, sporting fun in

and out of the water, learning new things, meeting new friends, assemblies, martial arts and that was just the start of the list!!!!

FREEZING FRIDAYS

Due to its amazing popularity, regardless of the weather, Freezing Fridays will continue this term.

XMAS MARKET & CAROLS BY CANDLELIGHT

Our November 25th Christmas Market and Carols By Candlelight is in full planning and the Xmas Craft Club were busy last term with some incredible works of art and craft being made for the stalls. A long list of more ideas has already started in club this week.

We are still taking donations daily and the boxes can be found around the school. In particular we are seeking:

- Old crayons
- Old books in good condition - for our book surprise stall
- New Nail Polish
- Lego people in very good condition

Our Book Surprise Stall is just one we are planning and for this we need your old loved books that are in excellent condition—any topics and for all ages please—these will be wrapped with a small description for you to take home and enjoy.

There will also be plenty of time in the near future to put your own craftiness or just helpfulness into practice as volunteers for various activities will be needed shortly.

TRIVIA AND GAME NIGHT

The tables are selling fast and there are now only a few left—with over 150 people coming already!

No knowledge (although it might help!) needed just a desire for a good fun night of games and a bit of trivia thrown in!

Prizes are still flowing in thanks to our amazing supporters. If you also own a business and have a good or service you wish to donate to the night or any other donations please contact Sue-anne at events@quintilianschool.wa.edu.au so that these can be collected and your details added to our "Thank You Board" and info on the night.

If you wish to come but do not have enough for a table we can also help—let Sue-anne know as we have a couple of tables who would love to make new friends as they have spots free.

If you are not interested in the Trivia but would love to come along and help out we are also looking for four (4) helpers for the night to join the Events Committee—we need you! Please contact Sue-anne for more information.

Table bookings can still be made (BUT HURRY) and platters can be purchased until 1st September via <https://www.trybooking.com/291813> Information will be sent shortly to all those who have booked regarding parking, team themes and table names etc.

Prizes and silent auction items include holidays, garden clean ups, dance lessons, books, dinners, cooking classes, adventure tours, cash prizes, food, wine, clothing, music lessons, movie tickets, Rotto Ferry tickets, school holiday activities, sporting goods, and more. The list is growing every day so it will be hard not to go home empty handed.

SUSTAINABILITY NEWS

We are very proud that another 15kg of batteries has been sent for recycling - well done the Quintilian community! AND the Good Samaritan bins have required emptying almost fortnightly for the last term – there are great many people in need who thank you for taking the time to sort your unused clothing for reusing and recycling, especially in this cold wet weather.

Please be aware that the recycling station has been moved to the Year 3 building. Quintilian collects Nespresso coffee pods (apologies but only that brand), toothbrushes and toothpaste tubes, batteries and unwanted sports equipment.

ON THE RUN MUSIC

What an amazing turn out we had at the On The Run Music Annual Concert. All the students did a great job entertaining the audience which was made up of an epic 300 people.

This year the concert was held at The Paddington Ale House in Mount Hawthorn. The performers had the amazing opportunity to experience a live band stage that was controlled by professional industry sound and lighting technicians. The show was also filmed by a camera crew on 10 HD video cameras capturing every angle of all the performers. The DVD is in the process of being developed and will be available in the next few weeks.

If you dream of being a rock star or would just like to learn your favourite songs off the radio On The Run Music offers tuition on guitar, bass guitar, drums, voice, piano/keyboard and violin. We also tutor rock bands and have a variety of workshops available. Please visit: www.ontherunmusic.com.au or contact Sue at:
