Dear Parents of Quintilian School

I have been working as a private specialist tutor at Quintilian School for the last fourteen years, with children from Pre-Primary through to Year 6 who have learning difficulties in literacy and numeracy. I also tutor English as an Additional Language. My aim is to make children feel successful, no matter where they are at on the learning continuum, and do this in a caring, fun and creative environment.

Tuition is a private arrangement between myself and you, the parent, and is fully supported by The Quintilian School. An incoming family is usually aware of a learning difficulty with their child, so will engage me, **or** a problem may be identified by the teacher and a referral is then made to me.

An initial assessment using diagnostic tests will be given by me, and from that, an individual systematic and sequential program is devised. A tutoring day and time is then organised, in consultation with you and your child's classroom teacher. Sessions are 45 minutes in duration.

Subject areas and content include:

- **Reading** – sight words; fluency; comprehension
- **Writing** – sentence and paragraph construction; grammar
- **Maths** - Addition, Subtraction, Multiplication and Division
- **English as an Additional Language** – vocabulary; grammar; activities in Listening, Speaking, Reading and Writing

A report is written on request. A copy will be given to your child's teacher for the school file.

I am based in Music Room B3 on Monday, Tuesday, Wednesday and Thursday, from 8:30 a.m. to 3 p.m.

Please feel free to contact me for further discussion.

Regards

Carol Adams

Specific Educational Learning Difficulties training undertaken at Dyslexia-SPELD WA Inc.

Master of Education (Teaching English to speakers of Other Languages)

Diploma of Teaching (Primary)
