

## Private Music Tuition at Quintilian 2021

At Quintilian, instrumental students receive weekly lessons with their teachers during class time. The timetable works on a rotating roster to ensure that the children do not miss out on the same classroom activities each week. Lessons are booked with the teacher concerned and parents have direct contact with their child's teacher throughout each term.

We are currently offering lessons for piano, guitar, bass guitar, drums, violin, flute and voice. If there are any other instruments that your child is interested in playing, please contact Michelle who may be able to organise for a new teacher for that particular instrument.

Below are the contact details of our wonderful instrumental teachers.

If you have any queries about our instrumental program or our teachers, please feel free to contact Michelle at [michelle.beins@quintilianschool.wa.edu.au](mailto:michelle.beins@quintilianschool.wa.edu.au)
