**Introducing your child  
to the world of Dance!**  
**Developing bodies and minds  
in a creative, fun, magical setting.**

The Melody Bear Dance Syllabus has been created by Early Childhood Educators and dance teachers to help children learn the natural actions of the body, to a different theme each week on a magical journey with Melody Bear and Milligan Bear.

It is designed to help children's physical development and concentration, building strength, balance and co-ordination.

Children will learn spacial and self awareness through music and sound, colour and shape, creative thought and visualization. These classes will prepare your child for all dance genres as they grow and encourage a love of dance for life.
